TESTIMONIALS

You turned an average backyard into a tropical paradise... both your crew and yourself showed the professionalism and technical knowledge of a multi-million dollar company. SKLD's quality of work is top notch including the consideration given to our neighbors for noise levels and other inconveniences...
- TERRY AND MIMI R., Valencia, CA

SK Landscape Design and their team keep our properties maintained to meet all our expectations.
- HIGHLAND REALTY, Los Angeles, CA

*Local award-winning business since 2001,
dedicated to serving the community*
